

## Team Radio GA

3339 Courthouse Road  
Guyton, GA. 31312  
(682) 325 - 1299

# Welcome to Radio with Purpose

Information about the TRGA (TeamRadioGA) group

## Group Repeater

The repeater is located in Guyton, GA. on the Effingham County Emergency Management tower located on Courthouse Rd. at a frequency 146.745 with a minus offset and a pl tone 97.4 It is also connected to Echolink via node 738635 and AllStar via node 45029

## **Group information:**

- Our primary focus is Emergency and Public Service Communications. Although this group does take part in a lot of casual activities.
- We are not an “organized” social radio club, so there are no dues (but donations are gladly accepted).
- We have a ARES/AuxCom training net on the district repeater every Tuesday at 7PM (1900). Everyone is encouraged to join in.
  - During the net, operators are also encouraged to provide an operator’s report, that is simply your name, call sign, grid location (if you not sure how to look yours

Cont.

up, please let us know we would be happy to help), model of radio you are using and the transmit power level. Each time you give an operators report your call sign is entered into a drawing for free prizes, we give one away every 2 weeks. You can increase your chances to win by also providing a Winlink check in.

- On the second Tuesday of each month, after the regular net, we hold a digital experimental net on the same repeater, one of our favorites is doing slow scan TV.
- Currently there are 3 opportunities to get together with your fellow operator's each month, "Tech Sessions" are from 9AM until Noon (then some of the operators normally go grab lunch together). These sessions are very casual setting where you will find operator's working on their projects, some are looking for help with a radio issue, others might be working on a Raspberry Pi project, really the sky's the limit.
  - The 1st Saturday of each month we get together at the Bulloch County EOC, 17245 US-301, Statesboro.
  - The 3rd Saturday of each month we get together at the United Way, 711 Zitterour Dr, Rincon, GA.
  - There is a very family friendly dinner event every 2nd Friday of the month, we meet for dinner at various restaurants.
- To stay updated on the groups activities we recommend joining the email list and/or our Facebook group.
- Our Facebook page is <https://www.facebook.com/groups/631848330209699/>
- Join our email list by sending an email to [radio@trga.us](mailto:radio@trga.us)
- Our website is [trga.us](http://trga.us), under construction and we are looking for a webmaster if you are interested. :-)
- Our group also administers FREE exams, check [Laurel VEC Exams](#), look for TRGA and our exam session and locations are listed there..

### 3

- We take part in a variety of events, like both summer and winter field day, providing radio communications for events in the area, like the Savannah ½ Marathon, etc, etc
- For those that are not licensed yet, we highly recommend using [www.hamstudy.org](http://www.hamstudy.org) as a means to study for your license.

We now have a fully equipment communications trailer to use as a Command Center at any event we take part in.
